Good Morning Shannon and Michelle!

Hope you are doing well and settling in for a healthy and safe holiday! As you know, Tina Bitten has been leading our effort to create a Deconstruction Video that highlights your partnership. We'd like to set up a call the first week in January to get an update on the partnership and share some details on the video. I've attached the speaker instructions provided by Tina for your information. Please use the Doodle link below to let us know when you'll be available for a quick call.
